

**Hardware and Other Consumable Commodities**

**Hardware/Fasteners (Carbon, Stainless, and Exotic Metals)**

- U-bolts
- Studs/Bolts
- Screws
- Pins/Dowels
- Clamps
- Lock Washers
- Threaded Rods
- Nuts and Locking Nuts

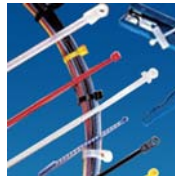

**Wire and Cable**

- Specialty Cables
- Cable Assemblies
- Building Wire and Cord
- Power and Control Cable
- Wire Harness Assemblies

**Flanges (Carbon and Stainless)**

- Orifice
- Blind
- Thread
- Reducing

**Wire Accessories**

- Cable Ties
- Compression lugs
- Wire Markers
- Crimp Terminals
- Connectors/Splices
- Grounding Products

**Tube Fittings (Carbon, Stainless, and Galvanized)**

- Tees
- Nipples
- Elbows
- Reducers
- Unions
- Couplings/Joints
- Slip Joint Couplings
- Elbows, 45's and 90's

**Tools**

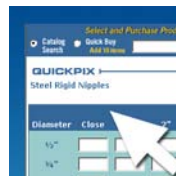

- Drill Bits
- Cutting Tools
- Crimping Tools
- Hole Saws and Arbors
- Tapping Tools and Awls

**Accessories**

- O-rings
- Gaskets

**Other Offerings**

**gexpro.com**

- Quick Pix
- Purchasing Lists
- Deal Center
- Shipment Tracking
- Check Stock
- Check Orders/Invoices
- iGuides - Interactive Guides
- Bar-coded Catalogs/Scanners
- "My Catalog" [www.gexpro.com](http://www.gexpro.com)

**Conduit Bodies and Boxes**

- LB / TEE
- Strain Relief Fittings
- Junction Boxes
- Conduit and Connectors

**Wiring Devices**

- Relays
- Switches
- GFCI Receptacles
- Plugs and Connectors

- Panel Design and Fabrication

**Panel Integration**

- Custom Panel Design
- Build to Print
- Complete Functional Test

**Complex Kitting/Delivered Ready to Install**

- Machined Fab Parts (BOM specific)
- Electrical Components/Sub assemblies
- Hardware/Other Consumables

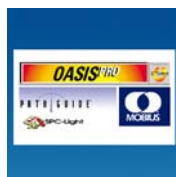

**Onsite Services**

- Onsite Customer Support
- Kanban Management
- Common Stock Management

**Sourcing Quality Team**

- Certified ISO Auditors
- Identify New Suppliers
- Supplier Surveillance / Audits
- Perform Vendor Qualifications
- Part Qualification / First Article

**Technology**

- Digitized Workflows
- Inspection detail and digital lot files
- Shopfloor inventory visibility
- Auto-triggered replenishment
- Inventory and Usage by POU

**Fabricated Parts**

- Welded Brackets and Supports
- Ferrous and Non-Ferrous Materials
- Welding Operations, Arc, Mig, Tig, Hard Surfacing and Brazing
- Stamping, Pressing, Bending of Metals (E.g. Sheet metal boxes, Housings)

**Machined Parts**

- Tooling Equipment
- Hardware/Fasteners
- Ferrous and Non-Ferrous Materials and Plastics/Composites
- CNC-type parts, Turning, Milling and Cutting Operations (e.g. Stainless and Exotic materials with high-end surface finish and tolerances)

**Valves and Instrumentation**

**Valves**

- Needle Valves
- Control Valves
- Manifold Valves
- Automated Ball Valves
- Manual Butterfly Valves
- Automated Butterfly Valves
- Relief Valves (non-hydraulic)
- Gate Valves (general service)
- Globe Valves (general service)
- Check Valves (excess, swing, piston, etc.)
- Solenoid Valves
- Manual Ball Valves

**Instrumentation**

- Sight Flows
- Temperature Wells
- Gauges (mechanical)
- Temperature Transmitters
- Thermocouples and RTD's
- Gauge Pressure Transmitters
- Differential Pressure Transmitters
- Flow Meters (turbine, positive displacement, magnetic, vortex and coriolis)
