A Rexel Group Company
The World's Largest Electrical Distributor

World Class
Component Supplier
to the Transportation Industry

Gexpro Services

Powerful Supply Chain Solutions

PRODUCT LISTING

Gexpro Services, a Rexel Group company, is a best-in-class Supply Chain Services Provider to the Transportation Industry. Gexpro Services supports Original Equipment Manufacturers with their production line material requirements. We have helped many companies streamline their Global quality, sourcing, procurement, inventory management and point of use distribution logistic processes, positively impacting their bottom line.

Benefits Offered:

Highly Skilled Team. A strong team of industry experts committed to helping improve your business operations.

Value Engineering. Our engineers, sourcing specialists, and supplier quality engineers work with your team to unlock value-engineering opportunities.

Inventory Management and Customized Kitting Programs. Developed to reduce labor and transportation costs, improve supply chain efficiencies and drive inventory optimization.

Reduction in component parts cost. Companies often recognize material cost productivity and improved supply chain associated with the products we specialize in.

Decreased purchasing, accounting, receiving, inspection and material handling. Our offer is customized to address the specific needs of your operations.

Broad Product Offering. Products that we provide include: electrical, fasteners/hardware, machine/fab parts, valves/instrumentation, mechanical and more.

Strong Quality Management Platform. Our branches are supported by a mature Quality Management System registered to either ISO9001:2000 or AS9100:2004. Digitized processes and procedures minimize escapes and maximize product and process quality.

CRITICAL DIESEL ENGINE COMPONENTS

- Grade 5 & 8 Hex Cap Screws
- Special Class 10 & 12 Nuts – M36 & M45
- Custom Double Ended Studs Class 10 & 12
- Twelve Point Screws Class 8.8-12.9 & ASTM A286
- Miscellaneous DIN Socket Set Screws, Jam Nuts & Dowel Pins
- Specialty Machined Components
 - Spacers, Clamps, Hardened Washers

VALVES/INSTRUMENTATION

- Multi-turn Valves or Linear Motion Valves
 - Gate, Globe, Pinch, Diaphragm and Needle
- Quarter Turn Valves or Rotary Valves
 - Plug, Ball and Butterfly
- Self Actuated Valves
 - Check and Pressure Relief
- Control Valves
- Specialty Valves

PRESSURE CAR COMPONENTS

- Security Seals
- Segmented Washers
- Reflective Tape/Decals
- Chlorine Tank Railcar Hardware
- Pressure Tank Railcar Hardware
- General Service Tank Railcar Hardware
- Hydrochloric Acid Tank Railcar Hardware
- Phosphoric Acid Tank Railcar Hardware
- Sulfuric Acid Tank Railcar Hardware
- 1" Ball Valves
- 2" Ball Valves

RUBBER/PLASTIC/COMPOSITES

- Decals and Labels
- Name Plates & Decals
- Gaskets, Seals and O-rings

PRODUCT LISTING

RAIL CAR COMPONENTS

- Forged Eyebolts
- Heavy Hex Seal Bolts
- Grounding Studs
- Specialty TBE Studs
- Hardened washers
- Assembled Safety Chains
- Heat Treated 416 S/S nuts
- Hinge Pins
- Brake Pins
- Cotter Pins
- Plow Bolts
- Locking Pins
- A193 B7 Bolts
- Nitronic 60 Nuts

ELECTRICAL/ELECTRONICS/ASSEMBLIES

- Thermocouples
- Cable & Harness
- Fiber Optic Cable
- Current Transformers
- Conduit, Fittings, Pipe
- Control and Power Cable
- Wire Harness Assemblies
- PCBs
- Brushes
- Fixtures
- Switches
- Shielding (EMI)
- Junction Boxes

FASTENERS/HARDWARE

- Commercial Grade Fasteners
 - Bolts, Nuts, Screws, Washers, Pins, Rivets
 - Inch & Metric Fasteners
 - Plain and Zinc Grade 2, 5 & 8
 - Stainless Steel 18-8, 316 & 410
- High Volume Special Fasteners
 - Non-proprietary parts: Screws, Nuts, Pins, Rivets
- Bolting Material
 - Custom Head-styles & Materials
- C-Class Components
 - Captive, Panduit, TNB, Rotorclip, RAF...
